# Introduction

Gamage Tours is a reputable travel agency that has been operating since 2017, offering exceptional travel experiences to clients around the world. The agency has gained a reputation for providing top-notch travel solutions, including online booking for tours, airport pickups, and tour packages at affordable prices.

Gamage Tours understands that traveling is one of the most rewarding experiences, and therefore, it is committed to making your travel experience smooth, comfortable, and enjoyable. With a team of experienced travel experts, the agency offers tailored travel packages to suit individual needs and preferences.

Clients can easily access Gamage Tours' services online, making the booking process quick and hassle-free. The agency has a user-friendly website where clients can browse through various packages and select the one that best suits their travel goals.

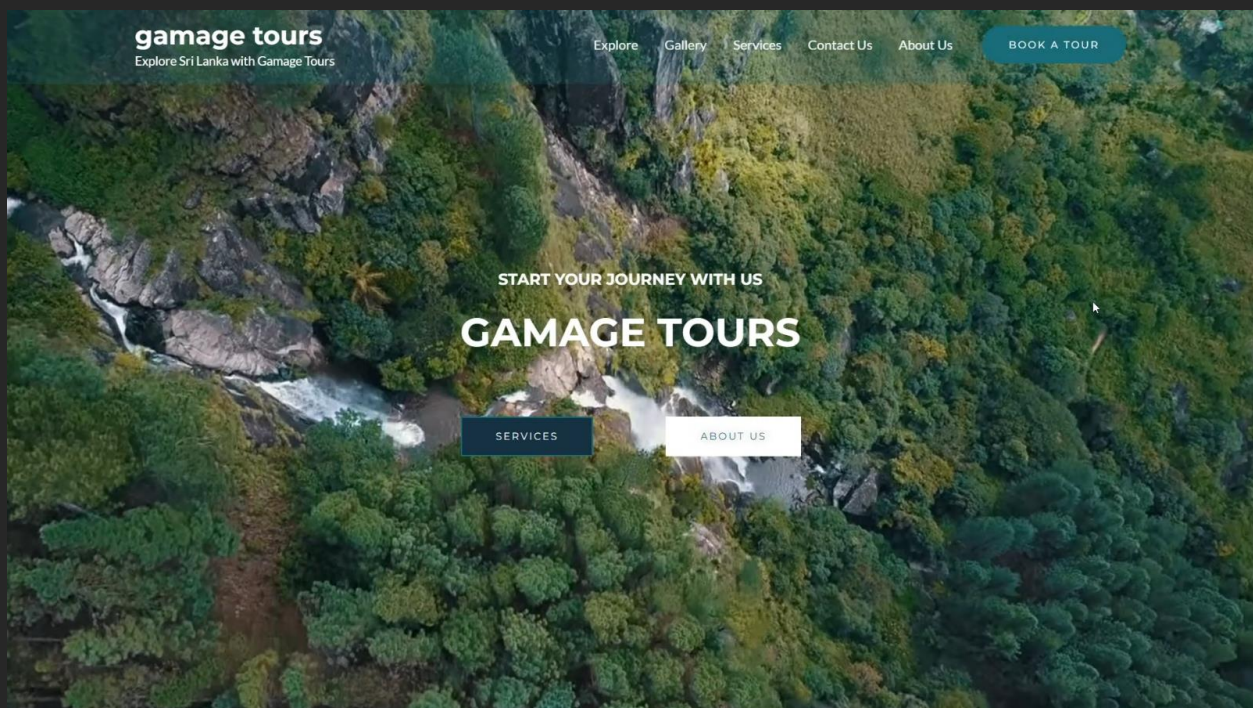

Gamage Tours' dedication to providing exceptional travel experiences has made it a preferred travel agency for many clients. Whether you are planning a family vacation, a romantic getaway, or a business trip, Gamage Tours has the right package for you.

# UI/UX Design

The UIs that are displayed below have been designed from the perspective of the customer's end.

**\*\*Note:** These images are only prototype samples, in live website motion effects and hovers are implement.

## 14) Contact Us Page

The image shows a web page for 'gamage tours' with a scenic background of a rocky coastline at sunset. The page has a navigation bar with links: Explore, Gallery, Services, Contact Us, and About Us. A 'BOOK A TOUR' button is also present. The main heading 'CONTACT-US' is centered over the image. Below this, the page is divided into two columns. The left column is titled 'GET IN TOUCH' and contains a 'CONTACT NUMBER' section with a WhatsApp icon and the number (+94) 70 150 6500, a 'WHATSAPP' button, and an 'EMAIL' section. The right column is titled 'SEND US A MESSAGE' and contains three input fields labeled 'Your name', 'Your email', and 'Subject'.
